# STANDARD EQUIPMENT.

## Powertrain and technology

- Flexible Fast Charge cable, Mode 2, includes domestic plug
- Public charging cable, Mode 3
- High voltage battery certificate, 8-year / 160,000 km warranty
- Tyres non-Runflat, includes tyre repair kit
- Brake energy regeneration
- 2 x current-excited synchronous motors, one front, one rear
- Adaptive M suspension feat. M specific steering function
- BMW xDrive all-wheel-drive

## Safety

- Active protection
- 7 Airbags: front airbags for driver and passenger, side airbags for driver and front passenger, side curtain airbags for 1st and 2nd row, centre airbag between driver and front passenger
- Central locking with electronic immobiliser and crash sensor
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Cornering Brake Control (CBC), Dynamic Traction Control (DTC)
- Acoustic protection for pedestrians

## Driver assistance

- BMW Head Up Display
- BMW Iconic Sounds Electric
- Driving Assistant Professional
  - Front/rear crossing traffic warning with brake intervention
  - Lane departure warning with active steering intervention
  - Rear Collision Prevention
  - Steering and Lane Control Assistant
  - Front collision warning with braking function and evasion assistant
  - Automatic Speed Limit Assist
  - Active Cruise Control with Stop&Go function
  - Lane Keeping Assistant with active side collision protection
- Tyre pressure monitoring system

## Light and sight

- Adaptive LED headlights
- High-Beam Assist
- Mirror Package incl. Interior and driver-side exterior mirrors with automatic anti-dazzle function, folding in function, passenger side mirror auto parking function

## Exterior design and equipment

- M Sport, includes:
  - 19" M light-alloy wheels Double-spoke style 871 M Bicolour
  - M-specific radiator grille in satinated aluminium
  - Front bumper panel with M-specific design, in vehicle colour with inserts in black high-gloss
  - Rear bumper panel with M-specific design, in vehicle colour with inserts in black high-gloss
  - M identification on the sides
  - Key with M identification
  - Mirror caps in body colour
  - M Roof Rails High-Gloss Shadow Line

## Interior design, comfort and equipment

- Automatic air conditioning, 2-zone
- Automatic tailgate operation
- Comfort Access
- Instrument panel in 'Sensatec'
- Luggage capacity of 490 litres
- M headliner, anthracite
- Electric Seats with memory function on driver's seat
- Seat heating, front row
- Alcantara/Veganza upholstery, black with contrasting stitching in blue
- M Aluminium Hexacube Pale interior trim
- M leather steering wheel

## BMW ConnectedDrive

- Personal eSIM, 5G connectivity (note: activation service via mobile network operator TBC)
- Intelligent Emergency Call
- BMW TeleServices
- BMW vehicle function apps
- BMW Intelligent Personal Assistant
- Remote Software Update

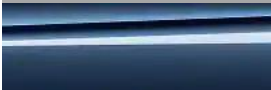

## Entertainment, communication and information

- 2 x USB Type C ports for charging + data (front centre console)
- 2 x USB Type C ports for charging (rear centre console)
- DAB+ digital radio
- BMW Live Cockpit Professional with 10.25" instrument display and 10.7" high-resolution curved widescreen control touch display
- Navigation guidance
- Personal Profile
- Wireless Apple CarPlay
- Wireless Android Auto
- Wireless Charging for smartphone in front console

# BMW INDIVIDUAL

The expression of personality.

Accentuate your own character with genuine exclusivity: this is precisely what BMW Individual aspires to. Whether you are seeking a special colour or exclusive materials, you can provide a perfect figure for your inspirations. With an automobile that matches your preferences precisely, down to the finest detail. BMW Individual – an expression of personality.

## LIMITLESS.

From Dakar Yellow to Nardo Grey: BMW Individual offers you a wide range of exclusive paint finishes to choose from. More than 120 different colours are available, allowing every character to find its own personal expression. Matt paint finishes by BMW Individual boldly emphasise the powerful design language of every BMW.

## UNMISTAKABLE.

In designing the details of the interior with immaculate fine-grain Merino leather, BMW Individual leaves you a completely free hand. From the choice of colours to the composition of impressive leather coverings in Bicolour, everything is possible. Masterly contrasting stitching produces an exclusive character. Personalised signets and monograms form highlights of individualisation.

## EXPRESSIVE.

All trims have one thing in common: they are made of the highest quality materials. Whether they are made of aluminium mesh, carbon or precious wood - create exciting contrasts in the interior of your BMW M or achieve corresponding effects between the interior and accent trims and the leather upholstery.

# BMW WALLBOX

Stay charged and ready to go with the BMW Wallbox Gen 3. With its safe and high-charging capacity of up to 22kW\*, start charging any vehicle as soon as it's connected. Featuring clever compact design and easy to use cable management, the Wallbox connects directly to the power supply, so you always have the power you need for the journey ahead. BMW Wallbox's are suitable for all fully electric and hybrid vehicles that have a type 2 charging socket.

Each BMW 3rd Generation Wallbox package includes all mounting hardware and fixings including the Wallbox itself, installation instructions, the operating manual and drilling template.

The BMW Wallbox is designed for indoor and outdoor use. When selecting the installation site, consider access from the charging socket to the vehicle and the direction in which the vehicle is normally parked.

**To discover more about how the BMW Wallbox works please click to watch a quick information video.**

**MEDIUM SUV**  
7.5 Hours to charge 0-100%<sup>^</sup>  
55% charged in 4 hours

**LARGE SUV**  
7.15 Hours to charge 0-100%<sup>^</sup>  
56% charged in 4 hours

<sup>^</sup>The calculation takes into account consumption and charging performance. Values refer to 29-33 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consumers such as seat heating, displays, air conditioning. Individual consumption may vary (depending on e.g. driving profile, temperature, ambient conditions) as well as the individually achievable charging performance (depending on e.g. battery state of charge, vehicle air conditioning). Charging performance is based on the maximum possible charging performance (depending on charging type and vehicle).

# Every great revolution begins with a charge

ChargeNow, in cooperation with Charge Net, enables BMW i customers in New Zealand to access the entire Charge Net® network of public charging stations with a single ChargeNow card.

BMW owners that join will receive FREE membership including ChargeNow membership cards and 10% discount on all charging sessions used in the ChargeNow charging network for the first 24 months.

ChargeNow, makes everyday on-the-go charging a convenient and seamless part of owning a BMW i vehicle. Through ConnectedDrive, the in-vehicle BMW i navigation (through Navigation Professional) or by using the BMW i Remote app, BMW i drivers can easily locate the nearest public charging stations, with real time use status shown, if available.

All BMW i owners are provided 2 complimentary ChargeNow cards with each BMW i vehicle, for customer support and access to all public charging locations on Charge Net's growing network - to plug in and charge the BMW i.

[VISIT CHARGENOW.CO.NZ](https://www.chargenow.co.nz)

## WHERE CAN I CHARGE MY CAR?

There are a growing number of stations across New Zealand and are expanding all the time. Find your favourite station in a certain location or quickly view recent charging stations.

[CHARGENOW LOCATIONS](#)

## THE BMW I REMOTE APP

Find public charging stations, check availability, and send their locations directly to your BMW i. Communicate directly with your BMW i vehicle, including car location, range, and battery levels. Set preconditioning, for optimal battery and cabin temperature. Locate points of interest.

- Includes lock-out or lost key assistance.
- Includes emergency fuel.
- Valid for 5 years/unlimited kms.

3 YEAR FREE SERVICING\*

- Includes scheduled servicing and maintenance tailored to the NZ market.
- Includes all warrant of fitness checks.
- Includes oil top-ups and wiper blades.
- Valid for 3 years/unlimited kms.

3 YEAR CONNECTED DRIVE SERVICES

- BMW Connected App for iOS and Android.
- Includes free map updates.
- Real-time traffic information.

\*All programmes tailored for the NZ-new vehicle market.

# BMW OFFERS & SERVICES

## BMW Group Financial Services

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs.

Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

Speak to your Business Manager today about our Finance and Insurance products.

## Genuine BMW Service

Quality and safety are the essence of a Genuine BMW Service. When you buy a BMW, you can look forward to superb service and comprehensive customer care.

BMW Service Inclusive is complimentary with all BMW's sold new in New Zealand for a period of 3 years, so you don't have to waste a moment thinking about the cost of maintenance for your vehicle.

For more information visit [bmw.co.nz/service](http://bmw.co.nz/service)

## BMW DRIVING EXPERIENCE

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

For more information, call 0508 BMW DRIVE (0508 269374) or email [BMW@tracktime.co.nz](mailto:BMW@tracktime.co.nz)

## <sup>1</sup>FURTHER INFORMATION ON CO<sub>2</sub> DATA

The values of fuel consumptions, CO<sub>2</sub> emissions and energy consumptions shown were determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model.

The CO<sub>2</sub> efficiency specifications are determined according to Directive 1999/94/EC and the European Regulation in its current version applicable. The values shown are based on the fuel consumption, CO<sub>2</sub> values and energy consumptions according to the NEDC cycle for the classification.

When charging times are shown they can be affected by a number of factors such as type of charger, voltage supplied to the charger/car and type of current (AC or DC) supplied to the charger/car. The car also plays a role in charging times as it can be set by the driver to accept various different amperage and should preconditioning be used to heat or cool the vehicle while charging this will also affect the charging time.

The basis for the calculation of the charging times for 100 km range is the electric consumption of the vehicle based on the use of a high-Powered Charging station (HPC) or charging type and current as indicated in the literature above. The testing procedure measures are based on a 23 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consuming devices and systems within the vehicle such as seat heating, displays, air conditioning.

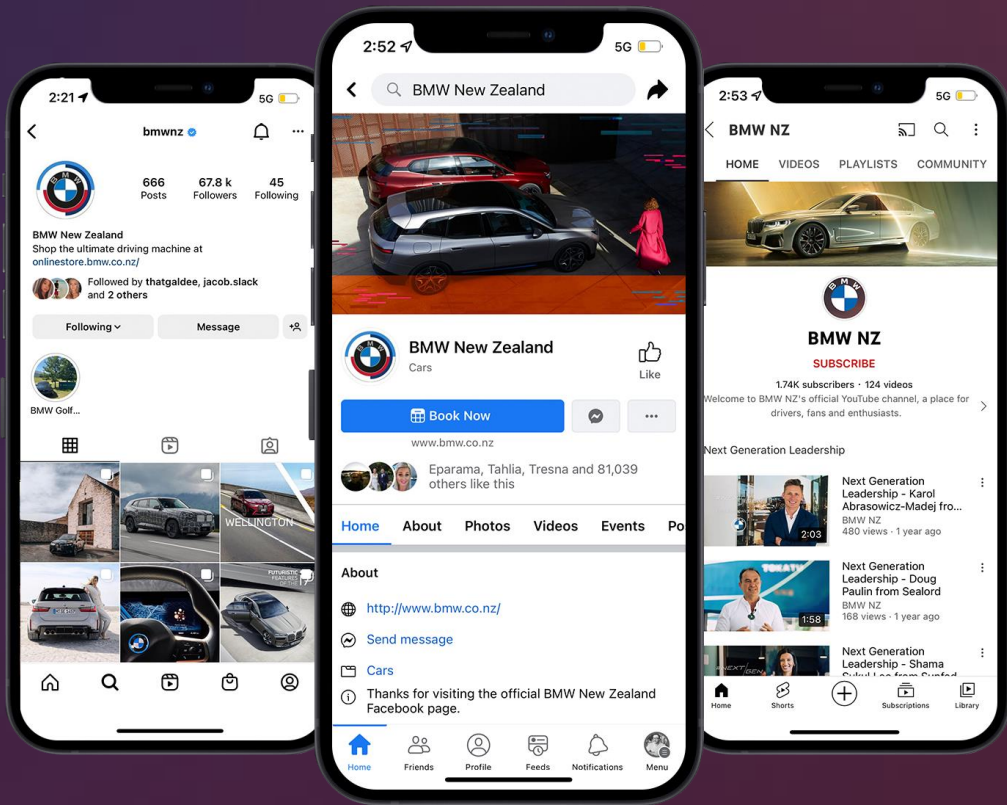

Individual consumption (fuel economy) may differ due to driving profile, vehicle load profile, auxiliary consumer usage, temperature, and ambient conditions. Consumption is based on WLTP or NEDC (whichever is indicated) best case conditions and is independently tested for BMW Group. If you are comparing this range with other models or brands make sure they are stating the same WLTP or NEDC testing regime. These results can be used to compare vehicles on a close to "like for like" basis but are unlikely to be achieved in real world conditions for reasons including temperature variation, driving conditions and the use of the auxiliary systems referred to above.

Information provided and images displayed in this brochure include overseas models and may show some features not available in New Zealand. Please contact an authorised BMW dealer for specific information on vehicles and features available in New Zealand. Product changes may have been made since production of this content.

Note: To obtain NZ CO<sub>2</sub> figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC.

For more information on the New Zealand Clean Car Programme, please visit [www.nzta.govt.nz/vehicles/clean-car-programme](http://www.nzta.govt.nz/vehicles/clean-car-programme)
